Division of Park Services

2010 City Wide Pool Registration

Registration will be held on Thursday, June 3 and Friday, June 4, 2010 from 5:00pm to 7:00pm

For Registration:

- Minors (17 and under) must be accompanied by their parent or guardian and, for minors without a driver's license, must bring their birth certificate or another form of identification with the minor's birth date listed.
- Adults (18 and older) will need to bring a drivers license or other picture identification. Adults that will be accompanying children 12 and under to the pool this summer, will also be required to register and receive their own ID card.
- Photo ID Cards will be issued at registration and no one is allowed to register someone that is not present. This means a parent or guardian must have their child with them at registration. This also means that if you are going to have another adult take your child swimming this summer, they must also be at registration to receive a pool ID card.

Pool registration will take place at the community center listed below.
